Codes

4- Astronaut Training Camp (Ropes Course)

Training

6 - Wide Game

Does Heather require assistance with this?

Reflectors

Planets and Moons cards

Suggestion:

- a) Each six must only pick up the cards that belong to their allocated group – they must find X cards
 - b) We could have more cards available
 - c) This prevents one group just grabbing every card they see and having more cards than needed increases the chance of finding the required 6 cards across the wide area
- This is very similar to the setup they used on our District Training day.

7 - Camp Fire

Songs

Program Summary - Sunday

Scouts Own –

(Remembrance Day theme ?)

Space Explorers - Scavenger Hunt.

Interstellar

Clues

Meals

Morning and afternoon teas to be provided and consumed at the main centre

We can colour a lot of the food to go with the theme of space (I think),

Suggest that the sixers be given the menu and they can choose a different name for the dish.

Once we have the menu worked out then Stuart will do a spread sheet for what food we need to buy.

Ideas:

Pancakes - with food dye

spaghetti with meatballs ----- (can easily remove meat for those that don't like it

campfire – marshmallows

milky ways in the snack packs

Draft Menu.

Feeding “30 to 40” Cubs, 15 Adults.

To be cooked in the lodge kitchen, food to be eaten in the dinning hall, M/T and A/T to be eaten in the dining hall.
